## Mayor Bill's Message

### THE 150<sup>TH</sup> BIRTHDAY CELEBRATION HAS STARTED!

The first month of the New Year has passed and what a wonderful month it has been. We started the 150th Birthday Celebration by visiting Emarie Rose, the daughter of Levi and Amanda Peebles. Emarie was the first Riverton baby born in 2015 at the Riverton Hospital.

On January 8, we had the Opening Ceremony for this year's Birthday Celebration. The main part of the Celebration was 150 elementary school students running through the City with "Birthday Torches". It was spectacular and emotional to see these students enter the Riverton High School Stadium, run around the track, and put their "Birthday Torch" on the Riverton City cake. To me, it symbolized the future of Riverton, the students, and our historical past.

We continued to enrich the bond between the elementary students and pieces of the City's history by taking the celebration to each of the elementary schools in Riverton. Assemblies were organized and the new book, *A Brief History of Riverton Schools*, was read. This book describes the building of public schools in Riverton.

A Proclamation was read during the first City Council meeting of the year that stated, "...the City of Riverton has chosen to honor its rich heritage with a yearlong birthday party." As one of the events to remember our rich heritage, we also visited Bernice Freeman Lewis. Bernice is Riverton City's Most Senior Resident. She is a beautiful woman with a great knowledge about Riverton City. It was wonderful hearing her talk about going to school in Riverton, playing shortstop on her softball team, and starting her first job in a Riverton beauty shop. She has worked hard her entire life, and that has helped make her the great individual she is.

The 2015 year of celebration in Riverton is going to be a memorable one. I hope you will attend as many of the events as you can. In addition to attending the events, you may want to personalize the celebration for yourself. I am going to re-read the book, *Riverton: The Story of a Utah Country Town* by Melvin L. Bashore and Scott Crump, and also read *Riverton City, Utah: Looking Back One Hundred Fifty Years* by Joy Johnson. Along with reading these books and other historical documents, I am going to write my own family history about why we moved here and what Riverton means to us. I hope you will reflect on what Riverton means to you.

## #Happy150Riverton

As part of the 150 Days of Celebration in 2015, Riverton City is happy to recognize its *Most Senior* and *Newest Born* residents!

Bernice Lewis, Riverton City's  
2015 Most Senior Resident  
100 years beautiful!

Emarie Rose Peebles, Newest Born  
Riverton Baby at the Riverton Hospital  
Born: January 1, 2015  
Proud parents: Levi and Amanda Peebles

## The Switch Happens May 1, 2015

Riverton's switch to culinary water sourced from the Jordan Valley Water Conservancy District (JVWCD) takes place May 1, 2015.

Along with the switch to this new water source, the billing rate will also be changed for all culinary water utility customers. A new base rate of \$2.50, plus \$3.91 for every 1,000 gallons used will be reflected, beginning with May's usage.

## City Council Minutes Now Available in Audio

Recordings of Riverton City Council meetings are now available on the Public Notice Website. To access these recordings, go to [www.rivertoncity.com](http://www.rivertoncity.com) and follow the Government tab to the City Recorder link. Next, click on Agendas and Minutes in the Quick Links section, then click the Past Public Meetings link. From there, follow the link to the meeting you're looking for to the Public Notice Website and click on the Audio Recording you want to hear.

## Time To Shut Off Your Secondary Water Valve

All of the secondary water lines are drained and it's now time to turn your secondary water valve in the closed position. This valve is located in the green box in your front yard. If your secondary ball valve is not turned off, you may experience flooding or other problems when the Water Department starts filling the system in the spring. The City is not liable for any problems that may occur from winterization techniques in private sprinkler systems. Users are responsible for any damage due to water entering their systems during both the on and off seasons.

## New Riverton City Historical Book Now Available!

We are pleased to announce the completion and release of a pictorial book, *Riverton City, Utah: Looking Back One Hundred and Fifty Years*.

This book was prepared in honor of the 2015 Riverton Sesquicentennial Celebration and will be formally presented to the public at the City Council Meeting on Tuesday February 3, 2015 at 6:30 p.m. Following the City Council Meeting, the book will be available for sale at City Hall for \$35.00

## UPD Riverton Precinct: Securing Your Home & Property

During this time of year we want to take the opportunity to increase awareness regarding burglaries and theft. Please keep in mind these types of crimes happen during all times of the day and night. One of the recent trends includes a suspect(s) going door-to-door and knocking to see if anyone is home. If no one answers the door, they go around to the backside of the house to look for open doors and windows. We believe the suspect(s) is looking for dark houses (no lights on) with the appearance no one is home. Please take note of the following suggestions.

**Suspicious Person or Vehicle:** If you see someone at your door step or in your neighborhood whose behavior tells you something is not right. Follow your instincts and call UPD at 801-743-7000.

**Door-to-Door Sales:** In Riverton City, door-to-door salesman are required to have a City-issued license, which has a photo ID with business credentials. The ID should be visible on their person. If they do not have credentials, Call UPD at 801-743-7000.

## Make Yourself a Hard Target and Secure Your Property

Lock doors and windows and install secondary locking devices, such as wood dowels or pins. You can purchase these items at your local hardware store.

- Lock your car and take your valuables inside with you, even when parked inside the garage.
- Lock your gates and all out-buildings.
- Set light timers inside your home for when you're gone during the evening hours.
- Turn on outside motion lights and porch lights.
- Security System, if you have one use it.
- Turn a TV on when you leave your home (the sound of voices can be a deterrent).
- Watch out for your neighbors. If someone's garage is left open let them know.

Call UPD when you think a crime has been committed, is being committed, or is about to be committed.
